

LyndaEnterprise User Registration Guide

Welcome to Lynda.com, an online learning company that provides a vast library of engaging video tutorials to help anyone learn software, creative, and business skills.

To create a profile...

1. Navigate to <http://www.Lynda.com/email-signup> . Enter your organization email address and click submit. You will receive an email notification, click on "Follow this link" to create your profile.

Welcome to lynda.com

Enter your email address from your organization. Then we'll send you an email with instructions for setting up your profile.

Submit

Hi,

[Follow this link](#) to finish creating your lynda.com profile. If you've been a member in the past, you can bring your course history, playlists, and certificates of completion with you and keep track of what you've learned.

This link will expire in seven days. If you don't complete your profile by then, you will need to [resubmit your email address](#) to request a new link.

Feel free to contact us if you have any questions.

Happy learning!

—Customer Service Team

Success!

Your new account has been created and you can start learning..

[Start exploring lynda.com](#)

Once registration is complete, you can log in thereafter by visiting www.Lynda.com from any computer.

The navigation bar features the Lynda.com logo on the left. To its right are links for 'Become a member', 'Business' (with a dropdown arrow), 'Academic' (with a dropdown arrow), and 'Government' (with a dropdown arrow). Below these is a search bar with the placeholder text 'Search for the software or skills you want to learn' and a search icon. On the far right are links for 'Reactivate' and 'Log in'.
