POLNET - EXPLAINED

To receive mobility news, sign up for the email alert on [HR Portal](#)

## THE POLITICAL, PEACE AND HUMANITARIAN JOB NETWORK (POLNET)

**POLNET** is one of 9 job networks in the UN Secretariat. It consists of 7 job families bringing together a multitude of functions that require similar or overlapping knowledge areas, skills and abilities. Subject to suitability, staff members belonging to this job network will have the opportunity to move across job families and functions under the managed mobility exercise. Outside managed mobility, staff can continue to apply to any vacancies that they feel qualified for. *(Please note that not all functional titles are listed in the graph below).*

**More questions?** This fact sheet is part of the "Mobility and Me Series". More detailed information will be made available on the Mobility and Career Development page on the [HR Portal](#).
