LANGUAGE LEARNING MODALITIES

Group live sessions

Students participate in real time in online or in-person discussions guided by a teacher. The sessions are focused on vocabulary, grammar, language revision, etc. Students get immediate feedback and answers to their questions.

Group interactive activities

Group exercises hosted on our learning platform that are guided/moderated by a teacher and do not happen in real time. Some examples are forum discussions or collaborative text drafting.

Individual learning activities

These individual exercises largely hosted in our learning platform do not happen in real time. They mainly help retention or offer learning strategies. Most of them are self-correcting.

Self-study

Not teacher-led: Learners complete the course on their own time and schedule, and completely independently. Please click here for [instructions](#) on how to enroll for self-study courses.
