

## **ACCESSING ORT FORMS USING MOBILE DEVICE (PHONE/IPAD)**

On your mobile device's internet browser

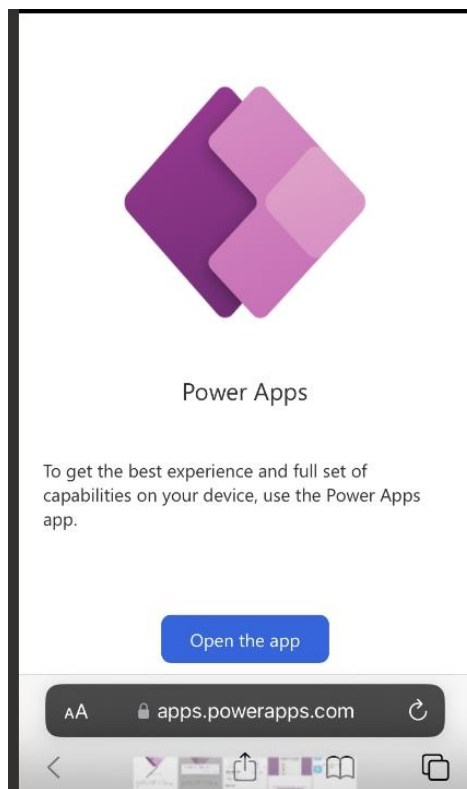

Step 1: Enter [hr.un.org/page/reporting-outbreaks](https://hr.un.org/page/reporting-outbreaks) to navigate to the Outbreak Reporting & Management page on the UN HR Portal.

Step 2: Scroll down on the site to the section below to access Outbreak Reporting Tool (ORT) forms.

### **For Usage of the e-ORT, please see below:**

- The new e-Outbreak Reporting Tool (ORT) is accessible at:
  - [Mission Outbreak Reporting Form](#)
  - [Non-mission Outbreak Reporting Form](#)
- Click link in first bullet point if representing a DPPA/DPO mission health facility.
- Click link in second bullet point if representing a Non-Mission health facility

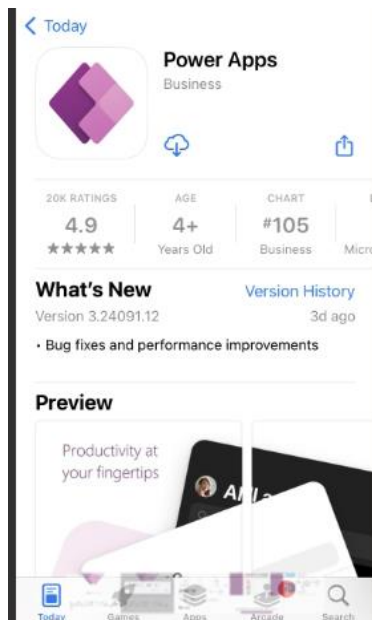

Step 3: Click “**Open the App**” blue button (for best experience DO NOT click ‘Continue in browser’)

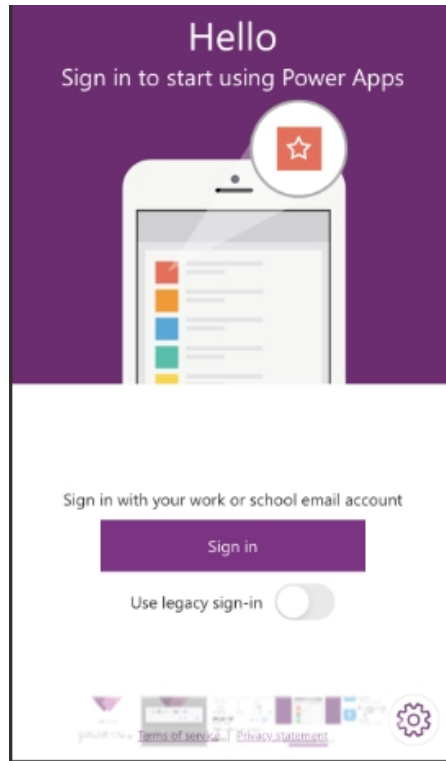

Step 4: Click **Open** for the “Open this page in “App Store”?” prompt

Step 5: Click  to download Power App from App Store to mobile device. Open Power App after successfully installing it on mobile device.

Step 6: Sign in using **UnitelD** credentials (or work assigned credentials if in Non-mission clinic)

Step 7: If ORT Form is not on Power App Home Screen. Click on All Apps icon on the bottom of your screen -> Enter *Outbreak* in search bar -> Click relevant ORT form from search results list

Step 8: ORT form will appear in Landscape Orientation for optimal viewing. Navigate through form by clicking relevant buttons and/or scrolling.

Step 9: To return to Home: swipe screen from left to right. To Zoom in/out: pinch screen.

Step 10: Ensure you log-out through Home screen after use.
