

WHAT'S NEW?

Together has exciting new changes in 2022!

There are more ways to connect and new features that help you find the right colleagues.

1

Registration and pairing can happen throughout the year.
No need to wait for twice-annual cohorts.

Choose a networking option!

Request to meet with a colleague for 1-2 brief networking meetings, or request a mentoring relationship that allows for deeper learning...

What kind of commitment do you want to request from Mitch Johnson?

Select a commitment - you can always extend your time later!

- 🌟 Introduction session or one-off networking
- 📚 Help with a specific topic across a few sessions
- 🗓️ Long term mentorship

...with both options you can add more sessions later if both parties agree.
