

LANGUAGE LEARNING LICENSES

Purchasing Information

HOW TO PURCHASE LANGUAGE LEARNING LICENSES?

If you are part of the UN Secretariat, you can use your own budget to purchase additional licenses for your team via Umoja.

For details of prices, contract numbers and contact persons, refer to the information on pages 2 and 3. For any questions about this process, please contact **Cristina Pérez-Cordón**, from **Language and Communications Training Unit (LCTU)**.

Please follow the sequence to make your order (steps 1, 2 & 3) and, simultaneously, collect information on your licensees to deliver to the vendor to effect registration (step 4).

- 1) Request approval from LCTU via e-mail at perezcordon@un.org
- 2) After receiving approval, raise a shopping cart in Umoja using the contract number contained here in p. 2-4.
- 3) Assemble the user information for your staff members (name, e-mail, location, level) in a spreadsheet.

Please go to <https://hr.un.org/page/online-language-learning-licenses-o3l> and click on the following hyperlinks to download the spreadsheets:

[Click here for info on making additional purchases with your own budget](#)

- You can download the spreadsheets mentioned in step 3 in the PDF above:
 - For learners of French, please assemble them in [French_Data Pre-enrollment](#).
 - For learners of Arabic, Chinese, English, and Spanish, please assemble them in [Data Pre-enrollment](#).

- 4) Once the purchase order is created and the Enrolment spreadsheet is completed, **please send both directly to the vendor contact listed on the next page [with perezcordon@un.org in copy](mailto:perezcordon@un.org).**
- 5) Then, the provider will contact the students directly with the log-in information.
