

## How to complete your registration for the Spanish placement test

After enrolling in Inspira (LMS-2630-3), please follow the next steps:

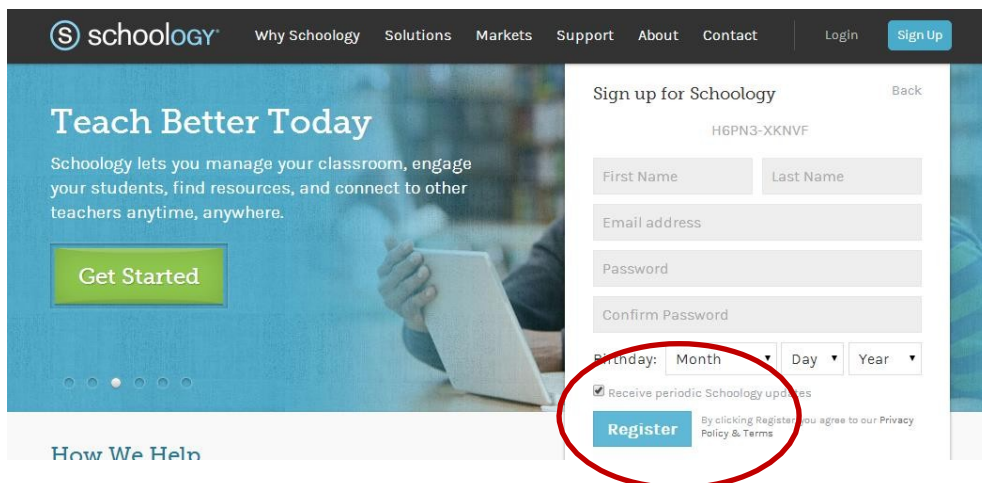

1. Go to [www.schoology.com](http://www.schoology.com)
2. To **create an account**, please click on "sign up". Then click on "student".

3. Introduce the following access code **2DSC3-429NF**

4. Fill out your email address, first and last name, choose a password and click "Register". If you do not want to receive periodic Schoology updates, make sure to uncheck the option.

You have successfully created an account. Save your password, you will need it again to log in and collect the results of your placement test and in your future Spanish courses.

5. Click on "Next" if you would like to start a schoology virtual tour. If not, click on "close".

## 6. Now you can start your placement test.

Before starting your online placement test, make sure **you can allocate 60-90 minutes** in a row to complete it. Keep into account that you are expected to submit your activities only once.

**Please allow at least three working days for the correction of your test and for your results to be sent to you.**
