

Exploring the UN

Learn more about the extensive work of the United Nations.

In this course, you will improve your overall proficiency in English while learning about the far-reaching work of the United Nations.

The English Language Programme

offers you the opportunity to learn more about the United Nations

Course Objectives:

Using a variety of texts, videos and online materials, students will:

- engage in “live” and online discussions and interactive exercises on the work of the UN
- share their own knowledge of the United Nations with their peers
- improve their vocabulary and reading skills through specially created exercises and games
- sharpen their listening skills by listening to UN webcasts
- polish their grammar skills by reviewing advanced structures

For live classroom only

- participate in class outings to places of historic or cultural importance to UN history and ideals

Target Audience:

Students who want to improve their spoken English while also learning more about the work of the United Nations.
