

CHAIR YOGA

Important: Please remember; never push your body to a point that causes pain. You will still get the benefit of the postures even if you are not very flexible. The best part is, if you do yoga on a regular basis your flexibility and strength will increase. Be sure to check with your doctor before beginning any exercise practice, especially if you have any health issues.

1. **Forward Bend** – eases tension in upper back and neck.

Breathe in and breathe out as you bend forward. Let your head and arms hang over your knees. Relax into the position and hold for a few seconds and keep breathing. Breathe in as you slowly come back up to seated position.

2. **Spinal Twist** – increases circulation and flexibility in the spine.

Sit facing forward place your left hand on the outside of your right knee. Place your right arm over the back of the chair. Breathe in and breathe out as you twist to the right. Turn your head as well. Push against your right knee. Breathe normally and hold that position. Release slowly and come back to facing forward and repeat on the opposite side.

3. **Side Stretch** - increases flexibility of the spinal column, improves respiration, and reduces waistline.

Sit facing forward with feet slightly apart, breathe in, and raise your arms out to the sides. Breathe out and bend to the left, reaching toward the floor with your left hand and your right hand pointing toward the ceiling. Breathe in come back to starting position. Repeat with your right side.

4. **Knee Squeeze** – relaxes lower back, improves digestion and respiration.

Breathe out and breathe in and put both hands around the front of your knee pull your left knee to your chest, while holding the in breath. Lower your head to your knee hold for a few seconds and release slowly while breathing out. Repeat on your right side.

5. **Leg Lifts** – strengthen legs and lower back, and improves circulation to your legs and feet.

Sit and hold each side of the chair for balance. Breathe out and breathe in as you lift your straightened left leg and flex your foot. Hold for a few seconds and then slowly breathe out while lowering your leg. Repeat the same with your right leg.

6. **Sun Pose** – improves circulation to your head, massages internal organs, and limbers your spine and hips.

Sit back in the chair with legs apart and arms by your side. Breathe out completely then breathe in and with a sweeping motion bring your arms up over your head. Look up and stretch. Breathe out while bending forward between your legs and if you can put your palms on the floor. Slowly breathe in while raising back up with arms over head again, then lower your arms to the side.

I hope you enjoy these simple yoga stretches and experience improvement in flexibility and strength. Doing these yoga stretches once a day or even three times a week will be of benefit to your body, mind, and spirit. Namaste!
